Alan Pedersen is an Award-Winning Singer, Songwriter, Recording Artist and Speaker. His inspirational messages of hope and music resonate deeply with those facing loss or adversity in their lives. His gifts make him one of the most popular, in-demand presenters in the world on finding hope after loss. Since the death of his 18-year-old daughter, Ashley, in 2001 Alan has traveled to more than 1,300 cities speaking and playing his original music. Alan successfully served four years as the Executive Director of The Compassionate Friends, the largest grief organization in the world.

Our evening will be a mixture of learning, laughing and feeling. Alan will share what he has learned on his own grief journey and from thousands of grieverers who have shared their stories with him. Powerful music and a down to earth message will be the focus of the evening. Alan will also offer the opportunity to purchase a butterfly with your loved ones' name that you will be able to place on the Angels Across the USA Van that night.
